

Discovery Days

May 2019

Volume 22 Issue 10

Dearest Discovery Days Families,

It is hard to believe that this year is almost over! There have been so MANY changes with your precious children this year! I love to look back at pictures from the beginning of school to see how much they have changed.

If you drop by the 2s classes they will just talk your ears off, and most of them are in big boy and big girl underwear! The 3s are becoming so independent! Have you asked them to say the prayer at mealtime? Their tender prayers bring a tear to my eye. Our mature 4s have almost perfected the writing of their name, mastered the skill of cutting, can identify letters, numbers and can pump their legs on the swing! Our

kindergartners would knock your socks off! They are counting to 100, adding, subtracting, writing, reading, just doing it all!

Thank you for allowing us to have this time with your special children! More than anything, we thank you for the opportunity to help shape their lives for God's kingdom.

Please make note of all the dates for this month! It is going to be busy!

Blessings,

Leslie Meil

FUN In The Sun!

Bring your hat and put on some sunscreen because we are headed outside to play in the sun! We will be playing in the sand, bouncing in the bounce house, riding our tricycles and eating sno-cones*! We are celebrating summer!

Tuesday, April 30 &
Wednesday, May 1

*Kona Ice will be providing our treats this year! Kona Ice flavorings are made with real cane sugar and are naturally dairy-free, lactose-free, gluten-free and nut free. They also have sugar-free, dye-free, and organic flavorings available upon request. Visit kona-ice.com or email holt@kona-ice.com if you have any questions.
